

Maternity Pen

10' x 10' Size.
Can be set up and dismantled easily for moving to other locations. 2" x 14 gauge steel tubing construction.

Safety Pen for operator until animal is restrained.

Animal voluntarily enters headgate after being restrained by Split-Gate.

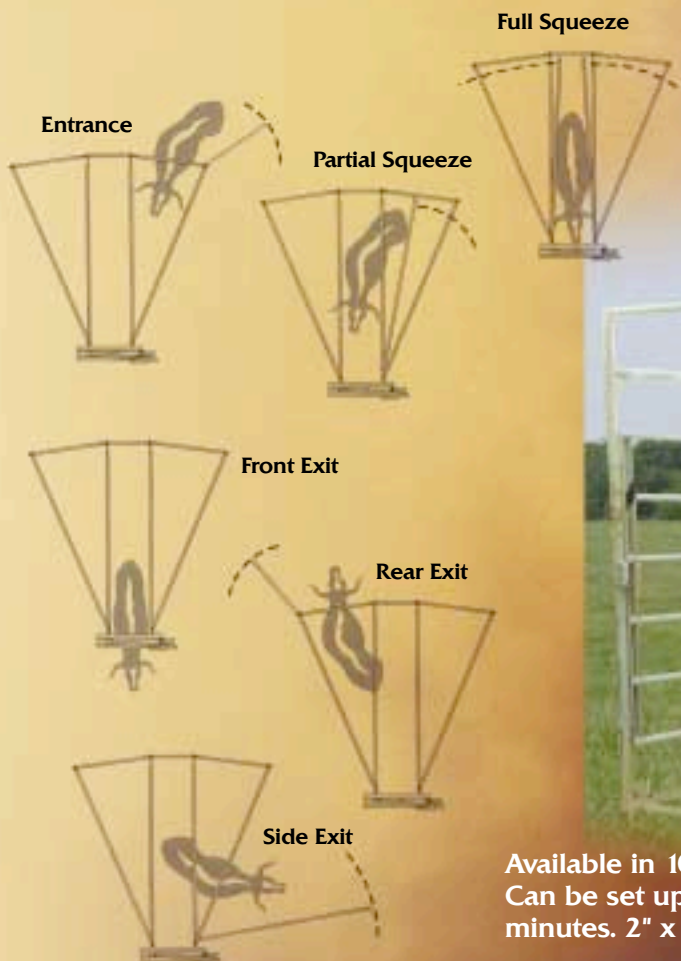

After secured in headgate, Side Gate can be opened for AI or Preg Testing.

With animal secured, lower part of Split-Gate can be opened, allowing calf to nurse comfortably without being injured.

Longhorn Chute

Available in 10' or 12' Lengths.
Can be set up and dismantled in minutes. 2" x 14 gauge construction.
